

Taking the Stress out of Staffing

Interviewing, Induction and Employee Retention Workshop

Want to Attract and Retain the Brightest Talent?

In this workshop you'll learn how to:

**Get the best fit. Utilise high level interviewing skills, to ensure you get the person with the right skill set, experience and most importantly, soft skills for the job.*

**Develop and implement the best on-boarding program, so new employees can hit the ground running.*

**Retain your employees, by creating a positive culture so they are engaged and motivated to achieve success.*
