

Taking the Stress out of Staffing

BUILDING BETTER TEAMS WORKSHOP

Empowered teams have greater ownership and are therefore highly motivated to contribute to their organisation.

In this workshop, you'll learn how to:

- *encourage autonomy and empower staff within a clearly defined framework.*
- *hold staff accountable for their outcomes and give them the freedom to do it their way.*
- *promote a 'no-blame' culture where innovation and creativity are encouraged.*
- *facilitate a learning organisation, where staff can continuously learn and by doing so, transform the organisation.*
